Sydney B. Vernon : The Medal Collectors' Companion: Collecting and Identifying Orders, Medals and Decorations before purchasing it in order to gage whether or not it would be worth my time, and all praised The Medal Collectors' Companion: Collecting and Identifying Orders, Medals and Decorations:

At last a work dealing with information on how to collect and identify Orders, Medals, and Decorations, which covers countries using the Roman, Cyrillic and Greek alphabets, especially Europe and the United States. Items are identified by inscriptions, dates, monarchs' ciphers, ribbons, and ribbon devices. Profusely illustrated, with over 200 pages, it has a comprehensive glossary, and bibliography. It is softbound, with a sturdy binding.
