If you must know just a little more trivia about the mini-14By JHIf you must know just a little more trivia about the mini-14, this is the book for you. There's just not that much to say about it because the government wasn't involved, it's a simple gun.0 of 0 people found the following review helpful. Five StarsBy hugh mcphersonmust have book for MINI-14 owners.0 of 0 people found the following review helpful. Useful ResourceBy RedtailThis is a great overview of the Mini-14. The only problem, and why I did not give it five stars, is that it is now a little dated. Regardless, it is still provides excellent information on the rifle's design, development, and history.

The Mini-14 is the most versatile modern rifle, used by homeowners, hunters, survivalists, law enforcement agencies and military forces. An infinite number of Mini-14s may be constructed with the many marketed accessories. Here is the Mini-14's history, model specifications and much more.
