Ned H. Roberts : The Muzzle-Loading Cap Lock Rifle (Stackpole Classic Gun Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Muzzle-Loading Cap Lock Rifle (Stackpole Classic Gun Books):

0 of 0 people found the following review helpful. Great historical story about Alvin York By John Downing I had had a copy previously but could not find it! Lent? The book was essential for references about the history of long ranger shooting as well as the development of the rifle itself. Great historical story about Alvin York. Invaluable edition to my library 0 of 0 people found the following review helpful. You ain't going to believe what they could do. By Robert Mills This is an incredible history of these guns. The original was a larger format and thus easier to see the photos, but the feats of these early shooters is beyond my imagination and most without optics. I loaned my original copy and never got it back and I'm glad that I was able to replace it with this copy. 0 of 0 people found the following review

helpful. Five StarsBy swathdiverAwesome book, must read for anyone interested in muzzleloaders!

Explores the history, construction, and care of one of America's finest firearms Hundreds of photographs show muzzle-loading cap lock rifles, ammunition, cap magazines, powder flasks, bullet molds, and more Describes and recreates traditional shooting matches in fascinating detail

About the AuthorNed H. Roberts was an internationally known expert and author on rifles, rifle shooting, and hunting.
