This book is a greatguide for me. I'm still extremely new at this but I use the guide when I make my purchases. I have never paid morethen 50% of this book's list price for any item, in fact my guide is 15% - which works well for me. When collecting,remember: no nicks, chips, cracks or repairs...rra1 of 1 people found the following review helpful. Must Have For Hummel PeopleBy LoisAThis booked helped me soooooooooo much in the purchasing of over 150 Hummels. I knew what to look for to judge their value. It was reallly fun referring to the description and background of each figure. I also enjoyed the bios of the sculptors.
