the toilet many people are liquidating their collectables...so they are only worth what people are willing to pay for them.....0 of 0 people found the following review helpful. Five StarsBy M.A.In great condition even though it isn't very helpful for assessing value of hummels. Thanks.0 of 0 people found the following review helpful. Many photos make it easy to identify your piecesBy ndamickMany photos make it easy to identify your pieces. Prices reflect the pre-ebay market glut and are wildly unrealistic now.

Compiled by internationally known expert Robert L. Miller, the 8th edition of this classic provides price information on the secondary market prices. Universally recognized as the most complete compilation of M.I. Hummel values, this book provides a numerical listing of all M.I.Hummel designs issued by W. Goebel, a history and explanation of back stamps and other marks.
