Plan to use for CR FFL log bookBy JudNo other log book in the price range of what I paid for this book is even close in quality. Plenty of room for writing out information on all firearms added to your collection. Nice envelope in the back of book for keeping your license handy. Very happy with this purchase!

If you own more than one gun, you're a collector. Proudly record the guns in your collection in the official NRA National Firearms Museum Gun Collector's Logbook. Handsomely bound, sporting the NRA Museum and NRA logos on the front cover, this sturdy firearms record album will withstand frequent handling, making it an excellent choice for gun shows and firearm exhibits. This is the best way for gun collectors to document their compliance with Title 27 ATF Documentation Requirements for Firearms Collectors. Each page has fields for recording information on the firearm as prescribed in Table 4 of Title 27, Part 478. At the back of the logbook is a convenient envelope for saving receipts, photos, and other important loose documentation of your guns. Maintaining a record of the disposition and acquisition of every firearm you own for insurance purposes, as well as to aid in the recovery of lost or stolen guns, is the hallmark of a responsible and conscientious gun owner. The new National Firearms Museum-sponsored gun collector's logbook makes the process of recordkeeping easy and enjoyable. Also included in the logbook is a list of

NRA-affiliated associations, details on NRA programs, and a money-saving offer for NRA membership.
