Arthur Guy Kaplan : The Official 1982 Price Guide To Antique Jewelry before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official 1982 Price Guide To Antique Jewelry:

VG,soft cover, 579 pps + index. Stated first edition.Illustrated on every page. Clean, unmarked. Cover and all pages, except color print section are tight. These pages are together but they have been printed on a quality paper stock which holds color better than it holds to seems. No tears. Cover does show shelf wear. A good resource for the collector.
