Difficult to useBy B. K. LevanLike the Football Card price list I bought it is sometimes very hard to locate the cards. The simple \$.05 cards are easy to find, but if you want to find the upscale cards they can be difficult if not impossible to locate. Maybe if your a dealer or have several years worth of experience looking for cards its not so hard.0 of 0 people found the following review helpful. Price guide to Baseball CardsBy flyguy552It helped me out a lot . I'm not a baseball card collector so I didn't want to invest a lot . The price was right and it was here way before deadline . Everything to grade on would be an A . Thank you
