Five StarsBy Lisa DavisVery good16 of 16 people found the following review helpful. Beware!!!!By James R. KeenDo not be fooled! It says 2009 but only one card company listed to 2008 the rest stop in 2007 and 2006. It also has no insert cards. If you have just basic cards or a bunch of old cards then its fine but has to be pre 2007 although the cover says 2009. Also I'm doing away with Beckett entirely. I bought a monthly book off the local magazine rack and the dates started at 2003!!!!!!!!!!!!!! I stopped collecting in 2001 and just recently started again only because I'm starting my son a collection. I've wasted \$30 on beckett in 2 weeks. Never Again. When I was collecting you could grab any book and it had everything. I've spent \$30 and still havent been satisfied!!
