I felt I wouldn't have to carry a big book around. But this book is so superficial you are better off just taking the Monthly or Beckett Plus Price Guides. DO NOT waste your money on this book. I returned it to .1 of 1 people found the following review helpful. Unhelpful price guide By D. Webber I was very disappointed in this item. The book skips several years. I would not recommend this item to someone who is trying to look up a large amount of cards. You will be upset when it does not have the information you need.
