Thomas E. Hudgeons Jr. : The Official Blackbook Price Guide to United States Coins 2014, 52nd Edition (Official Blackbook Price Guide to U.S. Coins) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Official Blackbook Price Guide to United States Coins 2014, 52nd Edition (Official Blackbook Price Guide to U.S. Coins):

2 of 2 people found the following review helpful. Very Good BookBy C E OwensThe black book is very detailed and up to date for the coin collector, picture's are smaller than some of the other coin books, I gave it 4 stars and not 5 because I thought it would be better at showing the values of the coins but I found it to have higher coin values, the Official Blue Book's coin values are better to market values.C. OwensPennsville NJ.0 of 0 people found the following review helpful. Five StarsBy Dwight L Livingston JrAs presented0 of 0 people found the following review helpful. Three StarsBy Allan A
THERE ARE BETTER ONES
