Arthur Guy Kaplan : The Official Identification and Price Guide to Antique Jewelry (Official Identification Price Guide to Antique Jewelry) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official Identification and Price Guide to Antique Jewelry (Official Identification Price Guide to Antique Jewelry):

8 of 8 people found the following review helpful. Disappointing in today's book marketplace  
By Eileen Lee  
This book does not meet the standards set by Warman's or Jeanine Bell. The color pictures are grouped together with inadequate description. There are pages with sample spaces left blank. Descriptions are poor. The previous edition by Kaplan was so much richer and fitting for the time. Other vintage and antique jewelry books have better pictures, descriptions and general information than this long awaited book. A real disappointment.  
0 of 0 people found the following review helpful. Good price  
By Donna Bland  
Very useful book  
0 of 0 people found the following review helpful. Five Stars  
By Customer  
Arrived before time and in good order. Thank you

Featuring jewelry from 1750–1960 The Official® Price Guide to Antique Jewelry offers a unique pictorial review of 200 years' worth of antique jewelry. This book has long been considered the choice guide for professionals. Now completely revised and updated, with over 3,000 photographs and current values, this reference has no equal in terms of comprehensiveness and ease of use. Praise for the previous edition: "An invaluable resource for the layman who wants to know about jewelry, the appraiser of estate jewelry, or the collector." —Christies East "Particularly valuable Mr. Kaplan has succeeded in making The Official Price Guide to Antique Jewelry even more helpful to new collectors." —Sotheby's

About the Author Arthur Guy Kaplan, a Maryland attorney, has been actively involved in the antique jewelry field for more than 35 years. In addition to participating in the most prestigious antiques shows in the United States and England, he lectures on antique jewelry throughout the United States.
