Daniel Cohen : The Official Price Guide to Movie Autographs and Memorabilia before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official Price Guide to Movie Autographs and Memorabilia:

0 of 0 people found the following review helpful. GREATBy JP WENTVERY INFORMATIVE1 of 1 people found the following review helpful. Book ReviewBy David A. LutzweitThis book is a very good resource for autograph collectors. Gives all the needed information to know how,what,where,when you are doing anything in the world of

collecting autographs. A must have book! 0 of 1 people found the following review helpful. Not what i expected By Mexican money I bought this book so i could better understand what hollywood stuff will be worth but upon reading it i noticed very very few pics i mean i know what the words are saying but wouldnt kill hid to add a few more pics dont get me wrong this book is very helpful p.s kind of outdated

HOLLYWOOD COMES ALIVE IN THE ULTIMATE GUIDE FOR COLLECTORS ALL THE PRICES AND THE HISTORY FOR MOVIE MEMORABILIA As much as we love the movies and the actors in them, we also love memorabilia. The items associated with some of our favorite movies have not only become very valuable, but also more accessible. This book is your complete guide to everything you ever wanted to know about movie autographs and memorabilia, including:

- Long-term and future values of movie props and wardrobe, celebrity autographs, posters and lobby cards, animation art, movie scripts, and Oscar® statuettes from the 1920s to today
- A buyer's referene that guides you step by step, from starting your collection through trading these objects, to buying and selling if you are already a collector
- A dealer directory and lists of clubs, organizations, and publications
- The right ways to handle preservation and conservation
- A glossary of autograph terminology
- A full-color insert featuring some of the most desirable memorabilia

Whether you are a serious collector or simply a movie memorabilia enthusiast, this book holds all the answers to your questions concerning price, quality, value, and authentication.
