Michael T. Sedam : The Olympic Peninsula: The Grace and Grandeur before purchasing it in order to gage whether or not it would be worth my time, and all praised The Olympic Peninsula: The Grace and Grandeur:

0 of 0 people found the following review helpful. My favorite book on the Olympic Peninsula.By Henry MugginsYes five stars. This is a beautiful book that really encompasses an unusual place. The final wilderness with a unique history is presented with visuals and captures more than I can rattle off on in brief conversation. The book makes for a lovely gift and is one I eagerly recommend to everybody. Wether you are a Louis and Clark type or just a Clark Griswold type like me, don't miss out on this one.0 of 0 people found the following review helpful. excellent book andBy Eshkie M. Zachaitthank you. excellent book and timing1 of 1 people found the following review helpful. Five StarsBy Laura PakisBook is perfect

The Olympic Peninsula, located within easy proximity to several metropolitan areas including Seattle, Tacoma, Vancouver, and Portland, attracts more than three million visitors each year. It is one of the most diverse regions in the country with spectacular mountains, rugged coastlines, and verdant rain forests. Join writer and photographer Mike Sedam as he circles the peninsula on historic Highway 101, taking time to visit scenic coastal villages, to watch a sunset from Rialto beach, spot a humpback whale, and to photograph the towering sandstone islands known as sea stacks. Then, head inland to the heart of the peninsula and Olympic National Park, famous for graceful waterfalls, breathtaking glaciers, old-growth rain forest, and an abundance of wildlife. This is the Olympic Peninsula in all its splendor and magnificence--in all its grace and grandeur.

"At first glance, this looks like any other picture book on Washington's magical Olympic Peninsula....But wait....Mike Sedam moves to show how people live in one of the country's most awesome corners"
