**Robert M. Overstreet : The Overstreet Comic Book Price Guide: Catalogue Evaluation Guide-Illustrated (The Confident Collector)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Overstreet Comic Book Price Guide: Catalogue Evaluation Guide-Illustrated (The Confident Collector):

The twenty-fourth edition of the most popular comic book price guide lists thousands of up-to-date prices for collectible comic books of all types and conditions, and includes color and black-and-white photographs to assist in identification.
