Robert M. Overstreet : The Overstreet Comic Book Price Guide, Vol. 43 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Overstreet Comic Book Price Guide, Vol. 43:

MAJOR revisions needed By Tom I've been using the Overstreet Guide for years, and for the last 3 I've been using it to value my books for insurance purposes. I've noticed a ton of missing titles and issues. None of these will break the bank, but I feel they need to be listed. Also, this year, more than others, I have found a TON of errors. Since my attempts to contact them about this were met with an oh well attitude (and at one point I was told to use comic collector live, which I despise), I'm going to publicly list the omissions and

errors I have found. Please note, most of these are Marvel and DC books. All-New Wolverine Saga (October, 2010) - (Promo book) Angels of Destruction (October, 1996) Avengers Sampler (June 2012) Bad World (2001) Battlezones: Dream Team 2 (March, 1996 [referenced in your guide on the "Dream Team" listing]) Black Dynamite (2011) Blade: Vampire-Hunter # 0.5 (1999) Brooklyn Knight (October, 2012) Civil War: Opening Shot Sketchbook (2006) Collector's Guide to the Ultraverse (August, 1994) Cyberspace 3000 (July, 1993) Daredevil # Minus 1 (July, 1997) DC Universe # 0 (July, 2008) The Death of Stupidman (1993) Dorkier Images (March, 1993) Feeders (October, 1999) Generic Comic Book (1984 Marvel) Generic Comic Book (2001) George R. R. Martin's Wild Cards (April, 2008 - July, 2010) Giant Size Mini-Marvels (February, 2002) Hero Happy Hour (July, 2004) History of the Marvel Universe (January, 2012) The Infinity Charade (July, 1993) Justice League Heroes (2006) Kid 'n Play (February, 1992) (Wizard Presents the) Legacy of Spider-Man Special Edition (1998) The Legacy of Spider-Man (1998) Married With Children: Bud Bundy, Fanboy in Paradise (July, 1994) Married With Children 3-D Special Married With Children: Kelly Goes to Kollege Married With Children: Lotto Fever Married With Children Flashback Special #1-3 Married With Children: Off Broadway (September, 1993) Married With Children: Quantum Quartet #3-4 (Fall 1994) - These numbers were NOT released separately but combined into 1 flip book) Marvel Overpower Card Game: "Deadly Foes" (October, 1995) The Mighty Thor Saga (June, 2011) Mys-Tech Wars (1993) Origins of Siege (February, 2010) Powers Encyclopedia (December, 2009) Prime, Volume 1 #1/2 (April, 1994) - Wizard special; this was previously listed @ \$2.50 The Prowler 1-4 (1994) Ripfire #0 (January, 1995) Satan's Sodomy Baby (April, 2002) - it's a Goon special The Saturday Morning Comic (March, 1996) - it's a Marvel book Son of Vulcan, Volume 2 (2005) Soviet Super Soldiers (November, 1992) Spider-Man: Saga (December, 2010) Spidey and the Mini-Marvels (May, 2003) Ultra-Monthly (1993) Ultraverse: Future Shock (February, 1997) Warlock the Infinity Watch #27 (April, 1994) - you list the other books in the title. Seriously, like 3 years running and they won't correct this error. The Wedding of Popeye Olive (1999) X-Men: Curse of the Mutants Saga (August, 2010) Now, the errors (these are mostly ridiculous) JSA All-Stars (Volume 2) 14: Cover Price is \$3.99 but listed as \$2.99 valued @ \$3.00 Doctor Strange: Sorcerer Supreme #41 listed as both \$3.00 \$4.00 in the same section (this book does not have a special cover so which is it?) Moon Knight (Volume 1, #30 from April, 1983): Listed twice as both \$4.00 \$5.00 The Strangers #4 is double listed with one listing saying this is \$3.00 a second saying it is \$4.00 (previous edition said this was \$4.00) X-Force (Volume 1, #11 from June, 1992): Listed twice as both \$3.00 \$4.00 Do you find this ridiculous? Any Collector Would Never Survive Without This Guide By Darrell I have been getting this price guides which updates comics on a yearly basis to let the collector know what his/her collection is worth financially. The parts I use the most are the price updates and the grading standards. Big is infused with so much information, ads from buyers, ads for restoration and grading, trends in comics and jam-packed with essential information every collector should have need of. This guide is for serious collectors, not for those that just want to buy a comic or book to read. For someone like that, it would be a waste of money, but to an investor, it is like having gold in your home. 1 of 1 people found the following review helpful. very interesting! By caleb's granny This was very informative! All the comic book lovers were checking out their old comic book values. I'm sure I'll be buying next years issue. Check one out today's!
