Robert M. Overstreet, Howard Peake : The Overstreet Indian Arrowheads: Identification and Price Guide
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Overstreet Indian Arrowheads: Identification and Price Guide:

The most comprehensive guide available to America's oldest and most popular collectible includes a fascinating

chronology of the history of early man, an index of point types by cultural period, an identification and classification system of point shapes and features, a detailed market report, and a glossary of terms. Over 5,000 actual-size photos.
