John Gerald Shea : The Pennsylvania Dutch and Their Furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pennsylvania Dutch and Their Furniture:

0 of 0 people found the following review helpful. A Great BookBy William R. MaddoxA great Book. A great historically based book,with detailed drawings for reproduction work .I will recommend it to all who inquire.

A photographic section focuses on furniture forms, sometimes influenced by the woods available, a chapter on construction, another on painted decoration, one on measured drawings and all sprinkled with the history of the Pennsylvania Dutch.
